PROSITES ANNOUNCES OUTSTANDING GROWTH IN 2006

Year End Revenues, Headcount and New Customers Far Exceed Expectations

Temecula, CA – January 2, 2007 – ProSites, Inc., the nation's leading provider of high quality website design and Internet marketing services for medical and dental professionals, today announced unsurpassed 2006 benchmark performance.

Since December 2005, ProSites has experienced a 317 percent increase of new customers and a 100 percent increase in headcount companywide. In addition, the 12-month period saw an unprecedented 357 percent increase in sales volume over the same period last year.

In August 2006, this growth prompted a move to larger quarters when the Company moved to a new and expanded headquarters facility in Temecula, California.

"We are extremely pleased with this growth and expansion," said ProSites CEO Lance McCollough. "This accelerated growth for ProSites is indicative of our superior website solution and the technical advances which grew out of the hard work and dedication of our team of experts. These significant achievements are a true testament to the quality of our employees, customers and partners to whom we extend a heartfelt thank you. We are looking forward to an outstanding 2007," McCollough said.

About ProSites

ProSites, Inc. is the nation's leading provider of high quality website design and Internet marketing services specifically tailored to the needs of medical and dental professionals. The company's exclusive WebEngine technology fully automates the creation of high-end, graphically compelling websites that help doctors to market their practices on the Internet and attract new patients. In addition to an excellent collection of patient oriented content, the websites also include interactive features that help streamline patient communications and online appointment requests. Headquartered in Temecula, California, ProSites is a privately held corporation. For more information visit www.prosites.com or call (888) 932-3644.
