## ProSites Wins 2015 Townie Choice Award

Dentists vote ProSites as the best in class for Dental Website Design and Services

**Temecula, CA – December 17, 2016** – ProSites today announced they received the 2015 Townie Choice Award, voted number 1 in the Dental Website Design and Services category. This achievement further validates ProSites' ability to help dentists accelerate measurable practice growth and acquire new patients through innovative online marketing solutions.

The Townie Choice Awards are hosted by Dentaltown Magazine, where their community of 100,000+ dentists ("Townies") vote for their favorite products and services across a wide-range of categories.

"For over a decade, Townies have voted on the most comprehensive list of peer-recommended products and services in dentistry. Winners have become recognized as the most reliable and reputable in dentistry," stated Howard Farran, DDS, Founder and CEO of Dentaltown.

ProSites is renowned for helping dentists grow their practice through a comprehensive suite of online marketing solutions including dental website designs, search engine optimization, social media, and pay-per-click campaigns. The firm's premier customer support, coupled with their ability to deliver measurable practice growth, further distinguishes ProSites from its competitors.

"We are honored to be on the exclusive list of Townie Choice Award winners," stated Lance McCollough, founder and CEO of ProSites. "Every day we provide top-quality website design and marketing services that increase practice growth and improve productivity. This recognition confirms that we are making a positive impact on our clients and their practice."
